

Produced by the USDA Forest Service: RM2012
North American Edition of 1980 USDA-RM-361. Preparation and
3,000 copies for the National Forest System, June 1980.
☐ Buy National Forest System lands within the National Forest
System may not be used in other National Forest System
lands.

This is not a legal document. Public lands are subject to change and leasing,
and may have some restrictions. Check with the appropriate office. Obtain
permission before entering private land.

The Forest Service uses the most current and complete data available.
Modifications, updates, and corrections may be made to this map product at
anytime. Forest quality is determined by the computer device used when producing
a hardcopy product.
